

Open invitation to tender, surplus clothing and textile residue

Domeinen Roerende Zaken (DRZ) represents the (Dutch) government as the owner of moveable property. DRZ destroys, deposits or sells goods that are confiscated by the police or other official detection agencies. DRZ also cooperates closely with government-wide category management in respect of the disposal of surplus government-owned goods.

Description lots:

- 1. Surplus clothing / textile, for re-use purposes.**
(Shoes, boots, sleepingbags, backpacks, blouses, etc.).
- 2. textile residue, Sorted for recycle purposes.**
(cotton, cotton/polyester, wool plus wool/polyester, synthetic material, polyamide, polyester and coated textiles, etc.).

Prior to public auction in Zeist the surplus clothing and textile residue is setup in packaging. The packaging is not a part of the sale.

Location:

Sale by tender, place of inspection: Zeist (NL).

Frequency:

According to a preliminary planning the goods on offer will be put to tender within two to four weeks.

Volume:

Dozens of box pallets (content) every sale.

Interested?

Interested parties can sign up roerendezaken@domeinen.org for the attention of "sales textile 2017". We will keep you posted on further developments.

Sincerely,

Domeinen Roerende Zaken
